(1)-Height indicates measurement in mm from centre of wheel to guard, +/- 1.5%. Superlow applications with LPG can use standard low rear. These heights only available when using Whiteline specified shock absorbers.

(2)-Retail in A\$ includes GST, excl. freight. Special net price for package part number.

(3)-Handling and Works fitting prices include wheel alignment. These rates only available when purchasing parts kit from same dealer.

(4)-Options: These items not included in package but available as separate item.

(5)-Shocks are gas replacement legs. 1301511 are sport rated adjustable insert conversions requiring modifications to existing strut legs.

(6)-New Whiteline swaybar is 22mm solid vs OEM 22mm tube.

(7)-Front shocks are hydraulic adjustable strut insert conversion, rear are replacement gas strut legs.
