(1)-Height indicates measurement in mm from centre of wheel to guard, +/- 1.5%. Superlow applications with LPG can use standard low rear. These heights only available when using Whiteline specified shock absorbers.

(2)-Price includes sales tax, excl. freight. Special net price for package part number.

(3)- Handling and Works fitting prices include wheel alignment. These rates only available when purchasing parts kit from same dealer.

(4)-Options: These items not included in package but available as separate item.

(5)-Front shocks. Series I will require modification to struts. Pack bottom of original strut to raise insert level.

Wheel Alignment Specs			
Optimum starting setting designed for use with Whiteline kit.
