(1)-Height indicates measurement in mm from centre of wheel to guard, +/- 1.5%.

Superlow applications with heavy rear load can use standard low rear. These heights only available when using Whiteline specified shock absorbers.

(2)-Price in A\$ includes GST, excl. freight. Special net price for package part number, subject to change without notice.

(3)- Handling and Works fitting prices include wheel alignment. These rates only available when purchasing parts kit from same dealer.

(4)-Options: These items not included in package but available as separate item.

(5)-Only available using KCA325 caster anti-lift kit. Absolute values may vary from vehicle to vehicle
